

# Flaherty's Kenpo Karate

2018, May Newsletter

## Happy Mother's Day...

We at FKKA wish all our Karate Moms a very warm, happy, and safe Mother's Day session.

Flaherty's Kenpo Karate instructors applaud all our parents, but on this Mother's Day, May 13, 2018, we especially want to recognize the "Karate Moms"

for the time, energy, and commitment they show in getting their children to classes on time or early.

It goes without saying, that our "Karate Moms" are always busy chartering their children around from place to place, dressing them, feeding them, and taking care of the home, often, with little to no recognition. The owners of Flaherty's Kenpo Karate would like to ask our parents, students, and other instructors to join us in offering a warm thank you to our "Karate Moms" on a job well done.

### The FKKA Black Belt Gathering:

All black belts and their families are welcome to join the "FKKA Black Belt Gathering" at Mountain Mike's Pizza, located on Robinhood Dr. (Saturday, May 19, 2018 from 2:00 - 4:00 PM) for an afternoon of socializing, family fun, entertainment, and, of course, pizza. This will be a great time to

meet the academy instructors and junior black belt members, other parents, and supportive family members.

Please bring your appetites, because pizza and drinks for our black belt members (and their families) are on us. This is our unique way of giving back to the FKKA Black Belt Graduates and their supportive families. Don't miss out on the pizza fun !!!

### Sign up for the breaking class:

The breaking class (May 12, 2018 from 12:00 to 12:50 PM. Cost for joining: \$20.00) is a blast with

many participants. Students, eight and older, yellow belt and higher, look forward to joining the FKKA annual breaking class.

Our advanced students use this breaking opportunity to demonstrate their martial arts abilities through board and brick breaking, a requirement for black belt testing and higher. **Don't miss out !!!**

**Thank you for choosing Flaherty's Kenpo Karate !!!**
